## **EXPERIENCE**

### **Sabbatical for Fatherhood 2018-Current Stay At Home Dad Evansville, IN**

Parted ways with my full-time job to devote myself to raising my two young children.

Key Accomplishments:

- Coached, nurtured and supported.
- Held a part-time job as a tutor in the evenings.
- Completed Butler University's coding bootcamp.
- Improved my overall health and well-being.

### **Full Stack Web Development Bootcamp 2021-2022 Butler University Executive Education Bootcamps, IN** Learned back end technologies using real-world project-based examples.

Key Accomplishments:

- Implemented complex logical conditions to meet objectives.
- Developed concepts for websites and followed through production to deployment.
- Created robust web applications and services in both individual and group settings.

### **Ivy Tech Community College 2018-2020 Supplemental Instructor, Computer Information Systems, Visual Communication Evansville, IN** Assisted students through coursework upon request via walk-ins, email or text.

Key Accomplishments:

- Quickly identified individual student learning styles to tailor exercises to their needs
- Communicated with Instructors to monitor students success
- Encouraged students to continue developing good studying habits

## **EDUCATION**

**Certificate, Full Stack Web Development** – Butler University Indianapolis, IN **2022**

**Bachelor of Arts, Graphic Design** – University of Southern Indiana Evansville, IN **2006**
